

Application for Licence Condition Exemption - Stripping of Leaves

Hemp Industry Act 2008 (NSW)

This is the approved form to apply for an exemption to the licence condition that requires that low-THC hemp is substantially stripped of its leaves prior to movement. Once the exemption has been granted, the Applicant will be able to move low-THC hemp that has not been substantially stripped of its leaves for the specific consignment and duration specified on the approved application form. This application must be assessed and exemption granted by the Department before proceeding with the proposed movement.

Purpose of exemption

An exemption may be granted for:

- the transport of whole plants to a processing facility
- movement for the purpose of disease analysis or diagnosis
- further cultivation of a plant at another licensed facility, whether under the same or a different licence authorised by NSW or another State or Commonwealth jurisdiction
- or for any other purpose approved by the Department.

Conditions of exemption

1. The exemption application form and exemption approval letter that relate to the consignment must be carried with the consignment and made available upon request to Police or an Inspector under the *Hemp Industry Act 2008*
2. Low-THC hemp must be conveyed by the most direct route to the destination
3. Low-THC hemp must be secured to prevent access by a person other than the licensee or authorised person or company
4. Low-THC hemp must be concealed from sight for the duration of the transport.

Submission

This application must be submitted to the Department seven (7) days prior to the proposed movement or the exemption will not be granted.

The application may be submitted via the following:
